PRESS COMMUNIQUÉS.

Fort St. George, November 16, 1937.

No. 782.—

In their Press Communiqué, dated the 9th November 1937, the Government announced that as a result of the efforts of the Hon'ble Minister for Industries and Labour the workmen in seven out of the ten mills at Coimbatore had resumed work on or about the 4th November, the Government having given assurances to them that an enquiry would be held regarding their grievances. Government at the same time expressed the hope that workmen in the three mills who were still on strike would resume work at once

The Hon'ble Minister visited Coimbatore again and had prolonged discussions with both the mill-owners and workers on Friday and Saturday, the 12th and 13th November 1937. With the assistance of the District Magistrate, the District Superintendent of Police and Mr. Avanashilingam Chettiyar, M.L.A. (Central), an agreement was arrived at on the matters in dispute. The District Magistrate has reported to-day that the situation in the three mills referred to above is normal and that in the Lakshmi Mills the workmen of which had recourse to a stay-in-strike which resulted in a lock-out by the management, more than 60 per cent of the workmen have actually joined and the rest are expected to join shortly.

The strike in Coimbatore may be taken as ended and the enquiry will be instituted by Government as indicated in their previous communiqué

Fort St. George, November 17, 1937.

No. 783.—

There was a cessation of work in the Grandalaya Printing Press at Bezwada a fortnight ago. On account of a dispute between the management and the workers the Press was closed. The workers of the Press waited in deputation on the Hon'ble Minister for Labour and Industries when he visited Bezwada on the 15th. The Minister discussed matters with the workers and the management and suggested a method of settling the dispute. The District Magistrate who was present at the time and who continued negotiations with the parties yesterday has wired last night as follows:—

No. 347.—

The following draft of certain amendments to the rules for the election of presidents and vice-presidents of local boards published with Local Self-Government Department Notification No. 299 at pages 181 to 183 of Part I-A of the *Fort St. George Gazette*, dated the 23rd February 1932, as subsequently amended, which the Provincial Government propose to make in exercise of the powers conferred by clauses (a) and (b) of sub-section (2) of section 199 of the Madras Local Boards Act, 1920 (Madras Act XIV of 1920), is hereby published, as required by clause (a) of section 200 of the said Act, for general information.

Notice is hereby given that the draft will be further proceeded with after six weeks from the date of publication of this notification and that any objection or suggestion which may be received with respect thereto before the expiry of the period aforesaid, will be considered by the Provincial Government.

DRAFT AMENDMENTS.

I. In Part I of the said rules—

(i) In rule 4, after sub-rule (2) the following sub-rule shall be added, namely :—

"(3) Where the votes of the members have to be taken under sub-rule (2), the president of the meeting shall assign to each candidate such distinguishing mark as the president of the meeting may determine in consultation with the candidates. The president of the meeting shall then announce to the members the distinctive mark assigned to each candidate, and his serial number. Serial numbers shall be assigned to candidates with reference to the alphabetical order of their names."

(a) For rule 5, the following rule shall be substituted, namely:—

"5. (1) At the place set apart for voting, the president of the meeting shall provide as many ballot boxes as there are candidates, the box of each candidate bearing prominently the name of the candidate in English and in the local vernacular and the serial number and the distinctive mark assigned to him. Every ballot box shall be so constructed that ballot papers can be introduced therein but cannot be withdrawn therefrom, without box being unlocked.

(2) The president of the meeting, immediately before the votes are taken, shall show each of the ballot boxes empty to such members as may be present, so that they may see that it is empty, and shall then lock it up, and place his seal upon it in such manner as to prevent its being opened without breaking such seal. The ballot boxes shall be arranged from left to right inside the voting compartment in the serial order referred to in sub-rule (3) of rule 4.

(3) Every member wishing to vote shall be supplied with a voting paper, which shall be a blank sheet of paper on which the president of the meeting shall have, before the supply, affixed a stamp so as to indicate its authenticity. The voter shall then proceed to the place set apart for the purpose and there place the ballot paper in the ballot box of the candidate for whom he wishes to vote. The president of the meeting shall cause such arrangements to be made as will prevent the members who have already voted from having access to the members who are yet to vote.

(4) The president of the meeting shall then open in the presence of the members present the ballot boxes one after another, take out the ballot papers therefrom, count them, and record the number thereof in a statement. A voting paper shall be rejected if it—

(a) bears any mark by which the voter can be identified, or,

(b) does not bear the official stamp prescribed in sub-rule (3)

(5) The president of the meeting shall then declare the results in accordance with the following instructions:—

(i) If there are only two candidates, the one who secures the larger number of votes shall be declared to have been elected. In the event of there being an equality of votes between the two candidates, the president of the meeting shall draw lots in the presence of the members and the person whose name is first drawn shall be declared to have been duly elected.

(ii) If there are more than two candidates, the one who obtains the smallest number of votes shall be eliminated and the votes taken again. If there is an equality of votes among all the candidates, or if two or more candidates lowest on the list have obtained an equal number of votes the president of the meeting shall ascertain by casting lots in the presence of the members which of such candidates shall be eliminated. The eliminations shall be repeated until two candidates only are left, when votes shall be taken for the last time and the candidate who secures the larger number of votes shall be declared to have been duly elected. In the event of there being an equality of votes at the final stage between the two remaining candidates, the president of the meeting shall draw lots in the presence of the members and the person whose name is first drawn shall be declared to have been duly elected."

(iii) In rule 6, for the expression "clause (a) of rule 5," the expression "clause (a) of sub-rule (5) of rule 5" shall be substituted.

(iv) Rule 7 shall be omitted.

(v) For sub-rule (1) of rule 9, the following sub-rule shall be substituted, namely —

"(1) The president of the meeting shall then make up into separate packets the voting papers relating to each candidate whether counted or rejected, seal up each packet and note thereon a description of its contents, the election to which it relates and the date thereof."

II. In Part II of the said rules, for rule 9, the following rule shall be substituted, namely:—

"9 Immediately after the meeting, the president of the meeting shall—

(a) prepare a record of the proceedings at the meeting and sign it, attesting with his initials every correction made therein, and also permit any member present at the meeting to affix his signature to such record, if he expresses his desire to do so; and

(b) publish on the notice board of the office of the panchayat, a notification signed by him, stating the name of the person elected as president or vice-president."

The polling officer shall keep order at the station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except his own clerks, the candidates, one representative of each candidate at a time appointed in writing by the candidate, the police on duty and such persons as may be admitted for the purpose of identifying the electors.

28. The ballot box shall be so made that papers once inserted cannot be withdrawn without unlocking the box. Immediately before the commencement of the ballot, the polling officer shall show the ballot box empty to such persons as may be present at the polling station and shall then lock it up and place a seal upon it in such a manner as to prevent its being opened without breaking such seal. The polling officer shall also seal the key of the ballot box in such a manner as to prevent its being used and keep the key so sealed

with him. The ballot papers shall be printed in Form VIII annexed. They shall be serially numbered, the number being printed on the face of the counterfoil and on the back of the material. They may be printed either in English or in the chief vernacular of the cantonment or in both and the names of the candidates shall be entered on them in the order of the alphabet of the language in which the names are first printed. If there are two candidates of the same name, they shall be distinguished by the addition of their occupations or in some other suitable way.

29 Except as provided below every person whose name is found in the list of electors to the ward and who is present and voting shall be supplied with a ballot paper. The polling officer may of his own accord, and shall, if so required by a candidate or his representative, put to a person applying for ballot paper, either or both of the following questions:—(1) "Are you the person enrolled as follows (reading the whole entry from the roll), (2) have you already voted at the present election in this polling station or in any other" The person shall not be supplied with a ballot paper unless he answers the first question in the affirmative and the second in the negative

30 Immediately before handing over the ballot paper the polling officer shall—

(i) initial it on the back,

(ii) enter the elector's name and number in the electoral roll on the corresponding counterfoil; and

(iii) affix his initials against the elector's name in the electoral roll

He shall also inform the elector how many votes he may be given.

31. An elector shall vote by means of an 'X' mark placed against the name of the candidate or candidates for whom he intends to vote.

(2) In the case of every elector whose ballot paper is marked in this manner by the polling officer, a note shall be made on the corresponding counterfoil of Form VIII by the polling officer of the reason why it was so marked.

(3) The marking of a ballot paper by the polling officer under sub-rule (1) shall not be questioned subsequently on the ground that it was not in accordance with the elector's directions

(2) If more than one cross mark is made against a candidate's name they shall count only as one vote in his favour, provided that there are no cross marks against the names of more candidates than there are seats to be filled.

(3) If any one of the cross marks is so placed as to render it doubtful for which candidate such cross mark is intended to apply, the vote concerned, but not the whole ballot paper in case where more than one vote can be given on the same ballot paper, shall be invalid, provided that the elector has not placed cross marks against more candidates than there are seats to be filled.

34. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall after duly answering such questions as the polling officer may ask, be entitled to mark the ballot paper in the same manner as any other elector. The ballot paper (hereinafter referred to as a tendered ballot paper) shall, instead of being put into the ballot box, be given to the polling officer, and endorsed by him with the name of the elector and his number on the electoral roll and set aside in a separate packet and is not to be counted by the Cantonment Executive Officer. The name of the elector and his number on the electoral roll and the name or distinctive number of the polling station shall be entered in a list in Form IX annexed called the 'tendered votes list.' The person tendering such ballot paper shall sign his name and address on the list or affix his thumb-impression thereto.

35 An elector who has inadvertently dealt with his ballot paper in such a manner that it cannot be conveniently used as a ballot paper may, on delivering it to the polling officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt one, the latter one together with its counterfoil being marked as cancelled

36 If any candidate or his representative declares and undertakes to prove that any person by applying for a ballot paper has committed the offence of personation, the polling officer may require such person to enter in the list of challenged votes which shall be in Form X annexed his name and address and if he is unable to write, to affix his thumb-impression thereto and may further require such person to produce evidence of identification If such person on being questioned in the manner provided in rule 29 answers the first question in the affirmative and the second in the negative, he shall be allowed to vote after he has been informed of the penalty for personation The polling officer shall make a note of the circumstances and of his decision in the list of challenged votes.

37. (1) Where the proceedings at any polling station are seriously interrupted or obstructed by any riot or open violence or otherwise or where a large number of electors are unable to attend the poll at the polling station by reason of any act of God such as flood or fire, the polling officer shall stop the poll, pending the receipt of the orders of the President of the Cantonment Board or where a Board is not constituted the Officer Commanding the station The fact that the poll has been so stopped shall be immediately announced by the polling officer to the persons present at the polling station.

(c) At the continuation poll, the polling officer shall allow only such electors to vote as did not vote on the previous occasion.

INSTRUCTIONS TO CANDIDATES APPEARING FOR THE EXAMINATIONS TO BE HELD IN 1938.

Candidates for University Examinations are required to observe the following instructions very carefully :—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names in any part of their answer-books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.*

Candidates are strictly prohibited from smoking in the examination room.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS MISCONDUCT WILL BE REPORTED TO THE REGISTRAR.

All rough working must be shown on the left hand page of the answer books themselves. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer-books of candidates. If the ordinary answer-books are found insufficient, additional books will be allowed and these should be securely fastened to the answer-books.

12. AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD RISE UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS COME UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

2 The wood has been classified according to the classes noted above and intending purchasers are advised to inspect the wood before the sale, as no alteration in the classification will be allowed nor will complaints of any kind be admitted.

3. The various classes have been stored in the sandalwood godowns in quantities of 5, 10 and 15 tons for convenience, but the quantities as exposed will not constitute an actual lot for which bids will be accepted. Each class of wood will be offered for sale separately in quantities of 15, 10 or 5 tons or less to suit the convenience of bidders. Bids will be per ton of each class of wood.

The bids shall be advanced in multiples of rupees five per ton and not less.

4. The sale will be subject to confirmation by the Conservator of Forests, Coimbatore Circle, who does not bind himself to accept the highest or any bid.

5 Before being allowed to bid, each intending bidder must pay an earnest money deposit of Rs. 1,000. If paid in cash, immediately before the sale, this should preferably be in the form of Madras notes for Rs. 1,000 or Rs. 500. A receipted treasury chalan for the amount will also be accepted. A cheque may be accepted for the amount at the discretion of the officer conducting the sale.

6. The earnest money deposit of unsuccessful bidders will be returned immediately after the sale is over, and that of successful bidders will be credited towards the first instalment of the purchase price.

7. Each purchaser shall, immediately a quantity is knocked down to him, sign his name at the foot of the sale list, in the column provided for the purpose, and such signature will be held as an admission on his part of his having purchased that particular quantity and of having accepted the conditions of the sale notice. No person will be allowed to deposit and bid jointly at the sale.

8. Immediately the sale is over, each purchaser, if his offer for any definite quantity has been accepted by the Conservator of Forests, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of this amount, less the earnest money deposit, into the Imperial Bank of India at Coimbatore or the Reserve Bank of India at Madras, within fifteen days of receipt of the order of confirmation of the sale and another 25 per cent before 25th January 1938, the balance of 50 per cent being paid on or before 28th February 1938, or against delivery, whichever is earlier. Should any purchaser fail to make the necessary remittances by the due dates the money already remitted shall lapse to Government and the District Forest Officer will be at liberty to resell the wood in question at the risk of the purchaser who shall be liable for any loss, but shall not participate in any profit which may arise by the resale.

9. After 50 per cent of the entire sale value has been paid to the credit of the Forest department, delivery of the sandalwood may be made to the purchaser, provided that, until payment has been made in full, delivery shall not exceed the quantity paid for, less an amount equal in value to 25 per cent of the full purchase price.

The delivery will be by full lots at a time and no lot will be delivered by portions.

10. On the purchaser's presenting chalans as proof that 50 per cent of the entire sale value has been paid, a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 9 *supra*. If, however, proof is produced that the entire sale value has been paid the whole of the sandalwood purchased will be weighed and handed over. The purchaser must take delivery of and remove the whole of the wood sold to him on or before the 10th March 1938.

11. The accepted bidders, when deputing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer by post, with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

12. No further cleaning or classification of sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest department must be accepted.

13 After the wood has once been weighed and handed over, if the purchaser fails to remove all the wood within the weeks allowed in clause 10, demurrage will be charged at the rate of Rs. 2 per ton per diem from the last date fixed for delivery until the wood is finally removed.

14. No sandalwood shall be removed from the depot till a licence to remove it, signed by the officer of the Forest department who delivered the wood, shall

have been obtained and till every piece of sandalwood that can be stamped bears the district "sale hammer" mark

15. The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

17. Each intending bidder, unless specially exempt by the Conservator of Forests, Coimbatore Circle, Coimbatore, on an application made in writing at least fifteen days before the date of sale must produce a solvency certificate signed by a responsible Revenue Officer of the district in which he resides, and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificates

18 The purchaser should give at least seven days' notice of his intention to take delivery, to the District Forest Officer, Coimbatore North, Coimbatore, supported by bank remittance in token of payment. No delivery will be made on holidays

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals of each item and the grand total of the whole contract and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract, such lump sum agreeing with the total amount of Schedule A. The schedule accompanying the lump-sum tender shall be written legibly and free from erasures, overwritings or corrections of figures. Corrections, where unavoidable, should be made by crossing out, initialling, dating and rewriting.

If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the firm, who shall also sign his own name, and the names and address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by a duly authorized officer who shall produce with his tender, satisfactory evidence of his authorization. Such tendering corporation may be required before the contract is executed to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of (1) Rs. 75, (2) Rs. 100 and (3) Rs. 75, respectively, into the branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Executive Engineer concerned to the credit of Revenue Deposits on behalf of the Executive Engineer of the Guntur Division and enclose with his tender the challan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from date of tender whichever is earlier. This refund will be authorized by the Executive Engineer by suitable endorsement on the challan. The earnest money will not be received in cash or currency notes by the Public Works Department officers.

The earnest money will be retained in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. This security deposit together with the earnest money and the amount withheld according to clause 68 of the Standard Preliminary Specification of the Madras Detailed Standard Specifications will be retained as security for the due fulfilment of this contract. If a cash security deposit is made by the contractor he shall follow the procedure laid down in the preceding paragraph for payment of earnest money and such deposit will not bear interest. Failure, to attend the division office on the date fixed in the written intimation from such office or to enter into the required agreement or to make the security deposit as defined in this paragraph, shall entail forfeiture of the earnest money. The written agreement to be entered into between the contractor and the Government shall be the foundation of the rights of both the parties and the contract shall not be deemed to be complete until the agreement has first been signed by the contractor and then by the proper officer authorized to enter into contract on behalf of the Government.

5. The tenderer shall examine closely, the Madras Detailed Standard Specifications, and also the Standard Preliminary Specification contained therein and sign the Divisional Office copy of the Madras Detailed Standard Specifications and its addenda volume in token of such study before submitting his tender unit rates which shall be for finished work in situ. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer. The Madras Detailed Standard Specifications and other documents connected with the contract such as specifications, plans, descriptive specification sheet regarding materials, etc., can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Guntur Division.

6. The tenderer's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the "Preliminary Specification." Materials conforming to the British Standard Specifications shall be used on the work, and the tenderer shall quote his rates accordingly.

7. Every tenderer is expected, before quoting his rates to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant Standard Specification. Samples of materials as called for in the standard specifications or in this tender notice or as required by the Executive Engineer in any case shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor after examination of the source of materials defined in the Descriptive Specification sheet is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or lift any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

8. The tenderer's particular attention is drawn to the sections and clauses in the standard "Preliminary Specification" dealing with—

(1) test, inspection and rejection of defective materials and work,
(2) centring,
(3) construction plant,
(4) water and lighting,
(5) cleaning up during progress and for delivery,
(6) accidents,
(7) delays,
(8) particulars of payment; and
(9) responsibilities and liabilities of contractor.

The contractor should closely peruse all the specification clauses which govern the rates which he is tendering.

9. A schedule of quantities accompanies this tender notice. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule, and that this schedule is liable to alterations by omissions, deductions, or additions at the discretion of the Executive Engineer, Guntur Division, or as set forth in the conditions of contract. The tenderer will however, base his lump-sum tender on this schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees, annas and in sums of three plus. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals of each item and the grand total of the whole contract and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract, such lump sum agreeing with the total amount of Schedule 'A.' This schedule accompanying the lump-sum tender shall be written legibly and free from erasures, overwritings or conversions of figures. Corrections, where unavoidable, should be made by crossing out, initialing, dating and rewriting.

10. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the contract form, the conditions of contract, the drawings, specifications, or quantities accompanying same will be recognized; and if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The attention of the tenderers is directed to the contract requirements as to the time of beginning work. The rate of progress and the dates for the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time as will be indicated by the Executive Engineer's certificates of the value of work done, will be required. Date of commencement of this programme for each will be the date on which the site (or premises) is handed over to the contractor.

13. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorizing others to receive payment on the contractor's behalf.

14. If further necessary information is required, the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

15. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

16. The qualification of the supervising staff employed by the contractor in the execution of the work will be given due consideration in awarding the contract. The tenderers should therefore state, in clear terms, whether they employ such technical staff and if so, to give the qualifications of such staff and the extent to which they will be employed on the work.

17. Separate payment will not be made for bailing or pumping work. The cost of all works necessary for dewatering and protecting foundations during execution shall be included in the unit rate of the several items relating to foundations.

18. The tenderer may however mention an earlier date which if it will be taken into consideration and this earlier date will thereafter be considered as the date fixed for completion of the work.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

മരുമക്കത്തായനിയമം അനുസരിച്ചുവരുന്ന മാപ്പിളമാരുടെ ഇടയിൽ കാരണവന്മാർ കൈകാര്യം ചെയ്യുന്നതും അവരെ നീക്കിക്കിട്ടുവാൻ അന്യായങ്ങൾ ബോധിപ്പിക്കുന്നതും ഇപ്പോൾ ഒരു പതിവായിത്തീർന്നിരിക്കുന്നു. ഇതുമൂലം ഒരു തറവാട്ടിലെ അംഗങ്ങൾ തമ്മിലുള്ള സമാധാനഭംഗം വർദ്ധിക്കുന്നതുമാത്രമല്ല, പല മാപ്പിള തറവാടുകളുടെ ഉന്മൂലനാശത്തിനു കൂടി കാരണമായിത്തീരുകയും ചെയ്യുന്നു. അതിനാൽ കാരണവന്മാരുടെ ബാദ്ധ്യതകളും നന്നായി വിവരിക്കേണ്ടതും അവരുടെ ജനനത്തെപ്പറ്റിയുള്ള ശരിയായ കണക്കുകളും അവർ പെട്ടുപോകുന്നതിനു മുമ്പ് ചെയ്യേണ്ടതും ആവശ്യമാണു്.

മാപ്പിളമാർ തന്നിൽ ഉള്ള ഉസ്സി മിത്തുകളാണു്. എന്നാൽ മാപ്പിളമാരിൽ ഒരു വിഭാഗക്കാർ, പ്രത്യേകിച്ചു് വടക്കെ മലയാളത്തിലും തെക്കൻ കർണ്ണാടക ജില്ലയിൽ കാസർഗോടു് താലൂക്കിന്റെ തെക്കെ ഭാഗത്തിലുള്ളവർ, മറെറല്ലാസംഗതികളിലും മുഹമ്മദീയ നിയമം അനുസരിക്കുന്നവരാണെങ്കിലും അനന്തരാവകാശം സംബന്ധിച്ചു് മരുമക്കത്തായനിയമമാണു് അനുസരിക്കുന്നതു്. 1918 ലെ 1 - ാം നമ്പർ മാപ്പിള പിന്തുടർച്ചാവകാശ ആക്ടും 1928 ലെ 7 - ാം നമ്പരായ മാപ്പിളമാരുടെ മരണശാസന ആക്ടും ഉണ്ടാക്കുന്നിടത്തോളം വരെയും അതിന്റെ വ്യാപ്തി ചുരുങ്ങിട്ടുണ്ടെങ്കിലും, തറവാട്ടുസ്വത്തിന്റെ സംഗതിയിൽ പഴയ നാട്ടുനടപ്പു് ഇപ്പോഴും സ്ഥിരമായി നിലനിന്നു പോരുന്നുണ്ടു്. ഇക്കാര്യത്തിലും കൂടി (ഇപ്പോഴുള്ള) നിയമം മുഹമ്മദീയ നിയമത്തിനു യോജിപ്പുള്ളതാക്കിത്തീർക്കണമെന്ന പൊതുവിൽ ബാഹുല്യമായ ജനാഭിപ്രായം ഉണ്ടായിട്ടുണ്ടു്.

ഈ അഭിപ്രായത്തിലുള്ള നിബന്ധനകൾ അടങ്ങിയിരിക്കുന്ന 1933 ലെ 22 - ാം നമ്പർ മലബാർ മരുമക്കത്തായം ആക്ടു്, മാപ്പിളമാരൊഴികെ, മരുമക്കത്തായ നിയമം അനുസരിക്കുന്ന എല്ലാ ആളുകൾക്കും

ക്കും സംബന്ധിക്കുന്നു. അതിനാൽ മലബാറിലെ മറ്റുള്ള സ്ഥലങ്ങളിൽ നിലയിൽതന്നെ മാപ്പിളമാരെയും കൊണ്ടേ പറ്റുകയുള്ളൂ. ശിച്ചിട്ടുള്ളതാണു് ഈ ബിൽ.
